

ECW13 APPLIED BOLOGNA WORKSHOP 1

RECOMMENDATIONS (preliminary version)

The ECW13 project recommends that the Joint Declaration on Education should be followed up with concrete actions to facilitate mobility in higher education between the EU and India, and especially:

- Incentives to encourage the recognition of studies abroad
- The implementation of transparent and consistent systems for the comparison and the translation between European grades and Indian marks.
- Measures to facilitate the transfer of academic merits between European and Indian universities.
- Measures to ensure an inclusive and open access to studies abroad
- Quality assurance of mobility processes
